Journalism Minor

*Click here for Journalism courses.*

The Journalism minor is designed to offer students experience in journalism theory, technique, and practice and to prepare them for careers in the news media.

Only one course may be used to satisfy requirements for both a major field and a minor field. Multiple minors may overlap by only one course.

**The following five courses are required for the Journalism minor:**

- JPW 208/Introduction to Journalism
- JPW 308/Media Law
- JPW 311/News Editing and Production
- JPW 498/Beats and Deadlines
- JPW 499/Media Experience
